CALLING ALL YOUTH VOLUNTEERS!

DUE BY SEPTEMBER 30, 2017

The process of becoming Youth Certified is an easy one!

Go to http://rotary5340.org/SitePage/youth-protection/youth-certification

STEP 1 – Complete Application

Download the District 5340 Youth Volunteer Application and complete it. Scan and email to ypo@Rotary5340.org, or mail to the Disrict 5340 office at 2247 San Diego Avenue, Suite 236, San Diego, CA 92110.

STEP 2 – Background Check

District 5340 has setup a special background check portal with IntelliCorp, a trusted third-party verification service that works with Rotary clubs and districts across North America. The service includes the following checks:

- Social Security Number (SSN) Verification
- Validated Multi-State Criminal Super Search Database
- Validated Nationwide Sex Offender Registry
- Validated Department of Corrections
- Government Sanctions – Terrorist Search
- Single Count Criminal Search

IntelliCorp does NOT pull credit reports and has strict controls in place that adhere to Fair Credit Reporting Act. To begin, simply visit youthcertify.candidatedirect.net and enter the password rotary5340. Cost of the service is $12.95 plus any applicable county fees, which can be paid securely online. While most courts charge a nominal fee (In many cases, $4-8), we have heard of significantly higher court charges. Unfortunately, these costs are imposed by individual court systems for performing the background check. Should you have any questions, please contact your individual courts.

STEP 3 – Online Training and Testing

The final step is completing an online training program hosted by the North American Youth Exchange Network, commonly known as NAYEN. NAYEN is a Regional Association representing 167 districts in Canada, Mexico and the United States, which are involved in Rotary Youth Exchange. The training is free and is followed by an online quiz that is reported to the District Youth Protection Officer.

After your affidavit and Intellicorp screening are processed, **you will be sent a unique link to complete the NAYEN training**. The training must be completed before earning your new Youth Certification.

NOTE: Due to demand, District 5340 is extending the sunset date of the current Youth Certification to September 30, 2017. This will give us time to process the volunteers going through the new Youth Certification process.

All new Youth Certifications will be valid until June 30, 2019. If you have questions about the YC process, please contact Charles "Doug" Clements (Rotary Club of Valley Center), District Youth Protection Officer at ypo@rotary5340.org with any questions.
