SAN DIEGO ROTARY CLUB

Drugs, Smugglers and Criminal Activities—A Day in the Life of the US Attorney

Editor

And we think our jobs are hectic! Try keeping order over 141 miles of border with Mexico. But more on that later. **Prez David** opened with his own inspirational comment in light of the horrible tragedies Richard Ledford of the past week. Rotarians are by our nature optimistic, waking each day with an eye

to making the lives of others better. The Prez said it in three words: "We Are Rotary."

Renaissance Man Tom Gehring (if you don't believe me, check out Tom's remarkable service to the Country and Community!) provided an Inspirational Moment rooted in history and the remarkable Lewis & Clark expedition to map the West, encouraging us all to pull on our own undaunted courage when faced with seemingly unsurmountable challenges. **Jeff Wheeler** followed with the Pledge and what seemed a bit subdued My Country Tis of Thee accompanied by Larry Piano-Man Showley. Stan The Dodger Fan Lawrence followed with the News, sponsored this week by John Neuhart and DVC Cleaner Inc. Judging his choice of baseball team, Stan must have been dropped on his head when a child. Or more likely the smog in that city morphed his DNA. Anyway, Prez David apparently made a bad bet with LA's Most Wanted and now that the Padres lost... again... must wear the dreaded LA cap during the meeting (which he did leading some of us to suspect he's really a closet LA Dodger fan.) High drama at today's meeting!

Prez David rolled into some announcements, showcasing a Rotarian fellowship trip to LA (more closet Dodger fans??) and how Rotarians are making a difference by organizing a tour of the University of San Diego for our previous guest student Karla, thanks to Solveig Deuprey and Stephanie **Saathoff.** The Prez also gave a big shout out to Nick Bernal and a host of Rotarians who helped make the City Heights Soccer Tournament a success.

Special thanks to David Harp's Foundation, Brandon Steppe and to David Higereda and Jesus Villegas for a fantastic video of the event! (Find the link to the video below) Speaking of that fabulous event, how about this one. The new CEO for the San Diego Foundation, our own Mark Stuart participated at the Soccer Tournament...by picking up trash. Apparently, that level of public service gets no respect from our Prez! Showing his determination to dominate members, he whacked Mark for a huge fine for... get this...not wearing his Rotary pin in a press photo for his new position. Gonna be a year of terror My Fellow Rotarians!

Prez next recognized the remarkable Nick Bernal as the Rotarian of the Quarter. Almost forgotten, (which is what happens when you go off-script Mr. Prez), Rick Chatham announced the next Grotarian Poolside Chat on August 27 (details on page 2).

Finally bringing decorum to our meeting, noted sort-of-retired attorney Bob Russell acted as our Chair of the Day. After performing his obligatory duties (including advice to the Prez to not bet on the Padres!), Bob introduced Bob Brewer, the US Attorney for the Southern District. It seems that Mr. Brewer has his work cut out for him. Along with only two other states, we have the distinction of having four US Attorneys for California. But, ours is the only District that is exclusively on the border with Mexico... which of course brings with it incredible challenges. While San Diego is the safest big city in the US, Tijuana is considered the most dangerous one in the world. Bringing to justice those engaged in human smuggling, human trafficking, drugs are all part of the Mr. Brewer's portfolio. It was an eyeopening look at what it takes to keep a handle on an assortment of illegal border activities.
