

Thank you to our very own **Tracy Sundlun** for sharing his special memories of his experience with the Olympic games. If you missed our July 22 program last week, click on the image below to watch a recording of the meeting.

Thank you to **Jennifer Barnes** of Optima Office, Inc. for sponsoring our meeting's Inspirational Moment.

And thank you to **Corey Polant** for presenting our first DEI Moment of the Month. This will be a new tradition we pave moving forward, which was a wonderful idea that came forth from the creation of our Diversity Equity Inclusion Committee. Once a month, a member will share a DEI moment that relates to the community and cultural events happening around us.

You can watch Corey's presentation in the video above.

# In-Person Meeting Policy

While resuming in-person meetings at Liberty Station, we are still monitoring and following all the local county, state and CDC guidelines. In conjunction with all the released guidelines, we are working closely with Liberty Station Conference Center to make sure we are meeting in the safest and most comfortable manner. The Conference Center has taken the necessary precautions, upgraded their air filtration system, and the wait staff will continue to wear masks during lunch service.

In accordance with the guidelines released, if you have been vaccinated, you will not be required to wear a mask at our in-person meetings. If you are not vaccinated, you are required to wear a mask at our meetings, and we also encourage those that are not vaccinated to maintain a safe distance and be mindful of those around them. As Rotarians who acknowledge the authenticity and importance of the four way test, we will honor and trust this system, and will not be monitoring vaccination records.

A REMINDER: If you do not feel well, please DO NOT attend the meeting. If you are tested positive for COVID-19, we request that you contact the Rotary Office immediately.

As the COVID global pandemic continues to evolve, and you would feel more comfortable wearing a mask regardless of whether you are vaccinated or not, we would encourage you to do so.

If you have any concerns, please contact **Jordan Maharaj** ([jordan@rotary33.org](mailto:jordan@rotary33.org)) at the Rotary Office.

Thank you for your support.
