New Mask Mandate For In-Person Meeting Policy Effective August 12

In response to the latest CDC guidelines and California Department of Public Health recommendations, our meeting venue has updated the policy for indoor masking. As our club meets at the Liberty Station Conference Center weekly, we will follow their advised policies.

Effective August 12, all individuals, regardless of their vaccination status, are required to wear a mask indoors when at Liberty Station Conference Center. You are required to keep your mask on (covering both your nose and mouth) unless you are actively eating.

We appreciate your understanding and compliance with this new policy set forth from Liberty Station Conference Center.

If you do not feel well, please do not attend the meeting. If you are tested positive for COVID-19, we request you contact the Rotary Office immediately.

For any concerns, please contact **Jordan Maharaj** (jordan@rotary33.org) at the Rotary Office.

Thank you for your support.
