Join Us In Supporting Aid to Haiti

Our San Diego Rotary Club Foundation has donated \$2,500 to support ShelterBox and the efforts they have deployed in Haiti to aid the thousands affected by the August 14 earthquake. We encourage you to join us and fellow Rotarians around the world and consider donating personally to ShelterBox.

[ShelterBox](#) is a global nonprofit organization that focuses on shelter as a basic human right. ShelterBox and Rotary International have been partners in service for many years, jointly responding to the needs of those facing disaster and conflict all over the world.

The ShelterBox team is working with fellow humanitarians in Haiti, including local Rotary contacts, to assess damage reports, understand from communities what they need, and work on the challenging logistics of delivering aid.
