Dear San Diego Rotary Club Members,

In the past year, we have learned that there are a number of ambiguities and inconsistencies in the Club's bylaws and records, and we are in the process of amending these. The first step, included in this email, is to confirm each member's consent to receive communications from the club via email ("Electronic Transmission").

Please click [here](#) to see a link to the current bylaws that we are working towards being amended. As soon as all confirmations are received, the proposed Bylaw amendments will be submitted for approval by the voting members.

Dear fellow Rotarians,

President Judy chose Adolescent Mental and Behavioral Health as her initiative for her presidential year. And from attending programs you know she has been pledging to make a contribution in each guest speaker's name to that initiative. Thus, at the end of her year, she will be donating \$5000 to her chosen organization, [Mending Matters](#), in all of their names. President Judy would like to invite you to donate to Mending Matters as well, and she has further pledged to match dollar-for-dollar (no matter the amount) any and all of our club's donations earmarked to that organization.

Here's how to make that gift to Mending Matters through our Rotary Club of San Diego Foundation:

To make a gift by check, please make check payable "The Rotary Club of San Diego Foundation" and include "Mending Matters" in the memo, and mail it to the following address:

San Diego Rotary Club
2247 San Diego Avenue, Suite 233
San Diego, CA 92110

To make a [gift online](#), please visit our website and use the yellow donate button. If possible, please notify [Jordan](#) at the office if you choose this donation method.

To make a gift by phone, please call the Rotary office and provide your credit card information.

Another way to be involved in President Judy's initiative is to attend the upcoming

[Mending Matters Workshop](#)

This a free workshop for Rotarians titled "What I Wish My Parents and Grandparents Knew." Mental health therapists will share info and tips about the needs of high school students today, including data from their school-wide mental health surveys, and feedback from their student advisors in 20 local high schools. They will focus on areas of life students have shared they need support with; areas such as stress and anxiety management, motivation and energy, as well as adjusting to change, and, they will field our questions on how to support the youth in our lives.

This workshop is May 20th from 9:30 a.m.—12:30 p.m.
Goodwill Classroom
3663 Rosecrans St.
San Diego, CA 92110

*Please notify [Becky](#) or [Jordan](#) if you'd like to attend.
