LOBBYING

The Membership Committee was represented in the lobby this week. Every member of San Diego Rotary Club has been asked to introduce someone new to Rotary this year!

Responsibilities of a San Diego Rotarian Sponsor

- Every active member of the club is encouraged to propose new members to the club.
- Before submitting the name of a prospective member meet with the prospective member and share the following:
 - Our mission of "Service Above Self";
 - The Four Way Test focus and commitment
- Club expectations regarding member engagement including, attendance, participation in club committees, fundraisers and participation in club service activities, costs associated with being a member and paying dues on time
- Privileges of being a member of Rotary including attending meetings at other clubs worldwide; networking with community leaders; providing service to the community and world; and exposure to community organizations, etc. through weekly programs.
- After meeting with the prospective member and ascertaining the person's interest in joining Rotary, a sponsor questionnaire should be filled out by the Sponsor and submitted to the Rotary Office.
- Ed and Duke, Co-chairs of the Membership Committee will send both formal and informal communications and are available to help answer questions and help host at a meeting.
- The continued strength of The San Diego Rotary Club is you, our members. Recruitment of new Rotarians is vital for the continued success of serving our communities.
