About Us

Established in 1911, the San Diego Rotary Club is the leading philanthropic service club in San Diego. Our mission is to improve the World through actions and financial support of Rotary's Avenues of Service – Community, Vocational, International and Youth. Of the 35,000 Rotary Clubs world-wide, we are the 10th largest club. Our members are leaders in their own businesses and organizations, as well as the San Diego community. Our members financially support the club's projects and are just as generous with their time through their participation and hands-on involvement. The Rotary Motto, "Service Above Self" exemplifies the commitment our members have in making San Diego and the World a better place.

Dear Fellow Members of San Diego Rotary:

This past year, you have made a significant and lasting impact on the community at large. The San Diego Rotary Club Foundation continued to provide support in areas where it was needed the most.

Thanks to your support, San Diego Rotary and The San Diego Rotary Foundation were able to provide numerous meaningful contributions.

We stepped up to support Adolescent Behavioral and Mental Health and partnered with Mending Matters, a wonderful organization that works directly with the youth. You chose to support the House of Turkey and surrounding countries as they navigated a devastating earthquake. You all continued to support the Teresa Ayiko Hospital in Atiak, Uganda, one of our largest international projects.

Your generosity continues to inspire us and everyone around you.

Thank you for all you do, and continue to do for San Diego Rotary.
