Rotary Large Club Conference

In October, President Elect Mia Harenski and Executive Director Jordan Maharaj attended the annual Rotary Large Club Conference. This year it took place in Baton Rouge, Louisiana and large clubs from all over the nation including Canada were represented. To qualify and attend, Rotary Clubs must have a membership of at least 275 and at least one paid staff member working for the organization. This conference is a great way to share best practices with our counterparts. We had such wonderful time and the hospitality was incredible! We are excited to take what we have learned and make the San Diego Rotary Club even better!
