Dear Rotarians,

As part of our efforts to develop a strategic plan to reimagine Rotary, members of the strategic planning task force will be calling select Rotary members to solicit their thoughts and opinions regarding Rotary. Task force members will need 30-45 minutes of your time, and all the interviews will be confidential. The task force member conducting the interview will have a discussion guide they will go through to solicit feedback, so all interviews are consistent. This is an important initiative for Rotary Club 33 as all three future Presidents are involved to ensure continuity. We want Rotary Club 33 to be positioned for future success so please provide us your thoughts when called!
