2024 Rotarians at Work Day!

Rotarians At Work Day happens the last Saturday in April, having started in 2006 as a joint effort between two Rotary Districts (one in the United States and one in Mexico). Rotarians at Work Day continues to grow each year as Clubs around the world identify hands-on projects that all members can participate in to help their local community. Friends and family are welcome. This year we have a project on April 20th as well for any Rotarian who isn't able to commit to a service event on April 27th! Our goal is for 100% Rotary Club 33 participation!
